**Re: Mobile Satellite Ventures LP
Ex Parte Presentation
WT Docket No. 05-157**

Dear Ms. Dortch:

On December 13, 2005, Jennifer A. Manner, Vice President, Regulatory Affairs of Mobile Satellite Ventures LP ("MSV"), and the undersigned, counsel for MSV, met with Fred Campbell, Legal Advisor to Chairman Kevin J. Martin. MSV discussed the substance of its White Paper entitled "Toward a Next Generation Strategy: Learning from Katrina and Taking Advantage of New Technologies" submitted on November 10th in the above-referenced proceeding. MSV urged the Commission to emphasize in its Report to Congress the importance of commercial systems, including new and innovative technologies such as MSV's hybrid satellite/terrestrial system, for meeting the communications needs of emergency responders.

Please contact the undersigned with any questions regarding this matter.

Sincerely,

/s/David S. Konczal
